

Human-Driven Artificial Intelligence

SAP ACC 2026

Visitor Guide

7–8 September 2026
Würth Haus Rorschach · St. Gallen, Switzerland

Welcome!

The SAP Academic Community Conference DACH 2026 takes place on 7–8 September at the Würth Haus Rorschach. We warmly welcome you.

Under the motto **“Human-Driven Artificial Intelligence”**, this year's conference brings together experts, researchers and educators to take a closer look at AI-supported applications, human-centred AI development and the responsible use of AI — through keynotes, expert talks, workshops and direct conversation.

Practice. Research. Networking. — We look forward to two inspiring days directly on Lake Constance.

We wish you a pleasant journey to Rorschach.

Pack Your Bag

So you can travel relaxed and well prepared – your checklist:

- Laptop and charger – for international guests, an adapter: Schuko plugs do not fit Swiss sockets, but “Euro plugs” work.
- Roaming switched off – roaming can lead to expensive surprises in Switzerland.
- Curiosity and anticipation for the programme – keynote, interactive workshops and the evening event await you.

Arriving by Train

Most conveniently by train to Rorschach, not Rorschach Stadt – the Würth Haus is only about a 2-minute walk from the station.

Venue

The conference takes place at the Würth Haus Rorschach, directly on the shore of Lake Constance.

Address: Churerstrasse 10, 9400 Rorschach, Switzerland

Rorschach station (not Rorschach Stadt) is directly opposite (approx. 2 minutes' walk).

Getting Here

PT

By Train (Public Transport)

The Würth Haus Rorschach is directly opposite Rorschach station – only about a 2-minute walk. Follow the signs to the Würth Forum.

Suitable connections from St. Gallen station:

IR13 departs 07:55 – arrives 08:08 in Rorschach

IR13 departs 08:25 – arrives 08:38 in Rorschach

With a hotel booking you receive a free public-transport ticket – please contact your reception.

Please note that there are several stations in Rorschach and get off at Rorschach (not Rorschach Stadt).

Car

By Car

Visitor parking spaces in the underground garage are limited. Additional parking (Strandbad, Kurplatz, station P+R) is a few minutes' walk away.

Tip: Travel by public transport – sustainable, relaxed and right at the door.

Logistics

Check-In

You'll find the registration area at the entrance. Here you receive your conference badge; a cloakroom for your luggage is available. Please wear the badge throughout the entire event, including the evening event.

Name Badge & Wi-Fi

Your name is pre-registered. You'll receive your name badge at the registration desk. A guest Wi-Fi access is available during your stay, and the event team is happy to help with any questions.

Programme

The full programme with all keynotes, track sessions, workshops and TTT sessions can be found on our website: <https://sapacc26.ost.ch/agenda/>

Take a look in advance and plan your personal conference day – so you won't miss any of the parallel sessions that interest you most. A highlight also awaits you in the poster exhibition in the lounge area, where you can chat with the researchers over coffee and cake. The first day concludes with our evening event, which offers plenty of space for networking in a relaxed atmosphere.

Discover St. Gallen & Lake Constance

The region around St. Gallen and Lake Constance combines culture, history and nature. At its heart is the Abbey District of St. Gallen with its baroque Abbey Library – a UNESCO World Heritage Site since 1983.

Rorschach lies picturesquely on the southern shore of Lake Constance. The lakeside promenade, historic granaries and the view across the lake invite you to linger. A boat trip is one of the most beautiful ways to explore the region.

Just a few minutes away, the Appenzellerland begins, with its gentle hills and the striking Alpstein panorama around the Säntis.

Highlights

- Abbey Library St. Gallen
- Lake Constance promenade
- Appenzellerland & Säntis
- Lake Constance boat trips

We wish you a
pleasant journey!
